SUBJECT :

Shipment of Material to

25X1

1. It is requested that the following material be scheduled for shipment to [] by Agency plane on the morning of 15 December:

25X1

1 wooden box containing hot-dipped medical supplies:
sulfa drugs, penicillin, chloride tablets, gramamine
tablets, aluminum hydroxide, etc.

3 wooden boxes containing hot-dipped medical supplies as above
plus hot-dipped surgical instruments and food rations from
Army C-Ration Kits and Assault Kits.

2. The smallest box has approximate dimensions of 8 x 8 x 4 inches.
The three larger boxes have approximate dimensions of 9 x 9 x 14 inches.
The total weight of the four boxes with contents is 70 pounds. The boxes
and contents are sterile.

3. Arrangements have been made with the Office of Training for two
persons from TSS/MD and MD/RUD to accompany this shipment on the 15 Decem-
ber flight and to take care of its handling at [] The boxes con-
tain nothing of a critical nature which would necessitate special handling.
It should be kept in mind, however, that most of the medical supplies are
in glass bottles, and the boxes should be handled with reasonable care.
